What is Community Links Bromley?

Community Links Bromley (CLB) is the borough's Council for Voluntary Service. We aim to: support, promote and facilitate the development of a strong, diverse, confident, and effective voluntary and community sector in the borough of Bromley, in ways which will enable the sector to improve the quality of life for people and their communities.

We do this by:

- Ensuring Community Links Bromley continues to be a strong influential leader and voice of the third sector in Bromley
- Strengthening our capacity building support, advice and training to members
- Building and strengthening the Volunteer Centre to increase the quality of volunteering opportunities available to local residents
- Ensuring Community Links Bromley's long-term sustainability in order to protect the independence and interest of the third sector in Bromley

“ I wanted to express my sincere gratitude for providing me with valuable information and guidance regarding setting up the Community Interest Company. Your insights and expertise have been incredibly helpful in understanding the process better. Your support has been instrumental in navigating this journey. ”

Do you need to recruit volunteers? Could your organisation benefit from support around volunteering?

If your voluntary or community organisation offers services to people living, working or studying in Bromley, why not take advantage of the FREE services that we provide.

Online

You can register your opportunities through our online system (Simply Connect Bromley) to ensure that people interested in volunteering can find out more about your opportunities.

Events

We deliver regular Volunteer Managers Forums, Volunteer Management training and Volunteering Fairs.

One-to-One Volunteer Management Sessions

We offer one-to-one support and advice sessions to organisations who need some guidance around their Good Practice.

Funding

Identifying Opportunities

We promote the latest funding opportunities for charities and non-profits by theme and deadline through our website and ebulletin. We can also help find funding for specific projects or themes.

Bid Writing

We offer an external pair of eyes to look over your draft application and make suggestions on strengthening your application to give it the best chance of success.

Training and Events

We offer funding related training and workshops, and schedule 'Meet the Funder' opportunities through the year.

Data

Our website provides facts and figures relating to the local population as well as regional and national research reports to help you source evidence of need.

Partnership Working

We work with other organisations to secure funding to deliver beneficial programmes to the local community.

“ Thank you for being such lovely partners to work with, your support and local knowledge has been so important for this small grants project. ”

Building Capacity

Our capacity building offer is for individuals and organisations in Bromley that operate, or seek to operate, in the voluntary, community and social enterprise sector.

Resources

Our extensive resources page offers help for establishing, managing, and delivering projects and services. You'll find information on policies, security, local politicians, and more. We also share the latest State of the Sector Survey results, and have a page dedicated to local community spaces available for hire.

Training

We hold various training events throughout the year based on the topics that you tell us are important.

Bespoke Support

We can help you set up your group with the right structure and draft the necessary policies to ensure you become credible, trusted, and successful.

Sign up to our weekly ebulletin for news, events, local jobs, funding opportunities, resources, training and other useful information.
