FUNDING OPPORTUNITY
Bromley Council & NHS S E London ICB Innovation Fund
Opening for applications January 2024

Bromley Council are pleased to announce the opening of another round of the Innovation fund focusing on innovation to deliver improved health and wellbeing outcomes including day activities.

Partners, already deliver a number of programmes and therefore we are seeking innovative, and creative new projects that have not been tried or tested previously in this borough. Premises to deliver activities can be available, and are located in Beckenham and Shortlands.

Are you a voluntary, community group or organisation who can help deliver these aims?

- Helping people to improve their health and wellbeing
- Reducing social isolation and loneliness
- Providing day opportunities for vulnerable adults and older people
- Day opportunities to support the role of carers
- Supporting young people (16+) as they transition into adulthood
- Promoting and supporting volunteering

The **Innovation Fund** is financed by Bromley Council and NHS S E London ICB, and we are looking for in novative, and creative new projects.
