

ADVOCACY VOLUNTEERS

Could you help clients in hospital to ensure that their views are heard, issues resolved and needs met, so that they can safely go home and stay home after their treatment?

SUPPORT WITH VOLUNTEER RECRUITMENT

This organisation is heavily dependent on the roles of volunteers. Could you help by being responsible for the placement of adverts, responding to inquiries, carrying out initial interviews and undertaking the administrative tasks? Based in central Bromley

CENTRE AMBASSADORS

A Centre Ambassador provides a warm welcome to visitors, training delegates and the public as well as assisting with providing relevant information and resources about end of life care. Based in Sydenham
