Lay Witnesses for Christ International – UK

Lay Witnesses for Christ International- UK (LWFCI-UK) is a non-profit organisation and registered Charity in UK, operating in Bromley.

The purpose and overall aims of the organisation are to impact on the world, inspire local communities and motivate young people and adults to stay on the right track to fulfil their potential regardless of cultural, ethnic or religious background by:

- helping young people and adults to develop their talents and potential, thereby having a positive effect in transforming the community and helping people to live a better life.
- disseminating messages around social integration, wellbeing, community cohesion, poverty, education and anti-social behaviour targeting families and disadvantaged young people in general.

LWFCI-UK are currently providing tutoring and creative social activities to children with learning disabilities, support services to their families, inclusive sports activities such as football, basketball and exercise fitness dance classes and outreach program on a weekly basis. They are serving up to 150 young people and adults through LWFCI Sports Club, Destiny Children and Family support group, which provides tutoring and creative social activities for children with special needs and delivers a free support group forum for their parents and carers. Beneficiaries of LWFCI-UK project work come from London borough of Bromley particularly in the area of Bromley south and Bromley Common, Penge, Orpington, St Mary and St Paul Crays, West Wickham, Beckenham, Downham, and the surrounding area of Bromley.

The charity's organisational office is based in Bromley, BR1 1RY and most of the activities are delivered in Bromley, Orpington and St Mary Cray.
