

## **Magpie Dance: Half Term Holiday School 2020 Copy**

Back in August, a group of dancers from Magpie Dance started a new and exciting project on Zoom. Together with the company's fabulous facilitators and marvellous musicians, they began to create a Makaton Dance video of Justin Timberlake's "Can't Stop the Feelin".

Everybody involved loved the project so much that the Magpie team decided to launch it again, and give even more people a chance to be part of their Makaton Dance video! Take a look at the video so far [here](#)!

From Tuesday 27th - Friday 30th October, participants are invited to work with the Magpie team, share ideas, create new dances and have their chance to shine in a funky music video! The sessions will be taking place on Zoom so that they are fully engaging and interactive. The best part is, that no matter where you are in the UK, you can still join in!
