

SPRING VOLUNTEERING FAIR

08 March, 2023

Laura Nicholls – Volunteer Administrator from The Maypole Project, which supports families in the borough who have children with complex medical needs and disabilities, had this to say about the event:

"It's really nice to talk to people and see what volunteering opportunities they can gain from us . . . but just getting our name out there and getting us more well known is also really good at these events. It's really enjoyable to meet other organisations to network, and find out how we can work together."

CLB was also on hand to promote the benefits of volunteering, whether it was to brush up CV's with new skills and references, or doing something worthwhile for the community.

If you missed the event this time around, visit our [events page](#) to find out when the next one will be. In the meantime if you're keen to find out about volunteering opportunities in Bromley – why not browse our [volunteering portal](#).

Community Links Bromley (CLB) hosted a volunteering fair this week in Orpington's Hope Church at The Walnuts shopping centre.

The public were invited to meet sixteen local organisations working to achieve positive change and to learn about the vital services they provide within the community.

Volunteering advice and opportunities were on offer from charities representing areas such as the environment, humanitarian relief and social care.
