

Do you have two or more long term conditions?

If you are interested in making a difference to healthcare services in Bromley, join us at one of our engagement events in September 2025.

One Bromley health and care partners are developing services for people with multiple long term health conditions and would like to hear from Bromley residents.

If you have **two or more of the following conditions** and you'd like to share your experiences to help shape future services, we'd love to hear from you.

- Diabetes
- Cardiovascular disease
- Chronic kidney disease
- Hypertension
- Depression
- Chronic pain
- Respiratory disease (asthma, chronic obstructive pulmonary disease COPD)

The events, which will include one in person and one online session, will provide information about plans for a Neighbourhood Health Service and the chance to help shape a new model of care for people with multiple long term conditions in Bromley. We are keen to hear from all Bromley communities, including residents who have a range of cultural backgrounds, ethnicities, languages and disabilities.

To register to one of the sessions please scan the QR code or visit the link below **by 4th September 2025.**

We are looking forward to seeing you, sharing ideas and hearing your feedback.

- **Face-to-face event:** Thursday **11th September 2025** 1.30–4pm at Community House, South Street, Bromley BR1 1RH
- **Online event:** Tuesday **16th September 2025** 12–2pm, MS Teams
