

Mottingham Big Local Refocused Programme Manager

Salary: NJC Senior Officer 2 SCP 27-28 £31,146 (pro-rata 32 hours per week)
plus 3% pension contribution Fixed term (21 months currently)

Mottingham Big Local Refocused (MBLR) Partnership is delighted to be recruiting a Programme Manager. Mottingham is one of the local areas in England benefiting from £1 million Big Lottery investment.

This is an exciting opportunity to help us to deliver our new Plan and vision for the Mottingham Big Local area. The aim is to coordinate Big Local activity and build the local social infrastructure over the remaining period of the programme.

The successful candidate will lead on strategic cross-sector engagement within the Mottingham Big Local area and across the London Borough of Bromley to strengthen and inform programme delivery and optimise funding opportunities. You will also lead on creating a sustainable MBLR legacy, including working on a successor organisation.

You will have supervisory responsibility for the MBLR Administrator & Project Support Officer, and lead on the delivery of a small Community Chest grant programme.

Reporting to the Community Links Bromley CEO, you will work closely with the local resident-led Partnership Board.

If you are enthusiastic about making a change and want to help shape future approaches to community and place, this could be the role for you.

More information on the Big Local programme can be found on the [Big Local - Local Trust](#).

Information on Mottingham Big Local Refocused, including the latest strategic plan, can be found at (The plan documents and other media are now up at plan.mottinghamblr.com).

For further information and an application form email alex.d@communitylinksbromley.org.uk or call 020 8315 1902. **Please note that we do not accept CV's.**

Deadline for applications: **5 pm Monday 11 December 2023**
Interviews: w/c. **18 December 2023**
