

Focus Group for development of SEL Urogynaecology Services: To improve women's pelvic health and continence care

Tuesday 20th January 2026 @ 19:00 – 20:00 or 20:00-21:00hrs

We want to hear from women in Southeast London who have pelvic health or continence issues.

This is an online meeting to understand women's needs and preferences and work together to improve services across Southeast London.

Two discussion groups are planned for **Tuesday 20th January 2026** :

- **7:00pm – 8:00pm**
- **8:00pm – 9:00pm**

We want to understand what women want in terms of education and information and how they would like services to be delivered.

Please use the QR codes or the links below to access the group session which is being delivered via Eventbrite online.
